To Begin the Process

1. View the East West Floral Arts website with photographs and videos of real weddings.
2. Then, set up your complimentary consultation. Please bring any pictures, fabrics or color swatches, invitations etc. that you are drawn to or have chosen. If you don't have any such items, or don't have an idea of what you want, relax! During our meeting we will work together to establish your unique style.
3. After our meeting, an estimate will be emailed to you.

After Your Consultation

1. We will reserve your wedding date for two weeks, starting from the day of your consultation. To guarantee that East West Floral Arts as your wedding florist, simply fill out and mail the contract, titled Terms & Conditions (download contract), to East West Floral Arts, and include a non-refundable \$200 deposit. Sorry, we do not accept credit cards. There are two choices on the contract: Standard and Custom. The Custom Service allows us to spend more time together visiting the site(s) and other places that might be appropriate, and allows for additional research time. Your deposit will be applied to these additional services. The Standard contract is your best choice if you do not require additional services; your deposit is then applied towards your wedding flowers.
2. After we receive your deposit, we will contact you to set up additional meetings if you have chosen a Custom contract.
3. Upon receiving your feedback from the estimate, any necessary changes will be made to create a contract that meets both your aesthetic and financial requirements.
4. The final contract will be emailed to you for your final approval and signature. Please mail this back to us with your payment of 50% of the total amount due, minus the \$200 deposit if you chose a Standard contract.
5. The remaining 50% is due 2 weeks prior to your wedding.
6. If you decide to return rented items yourself, you have up to 2 weeks after your wedding to do so. (Any missing or broken items will be charged at full retail cost, so please be careful.)
