Helene, Dan & I have been talking about you, and your role in our wedding, just about every day since that amazing day. We want you to know that, for each of us individually, seeing that room for the first time was quite an experience - jaw dropping to say the least. I still get little goose bumps when I think about it. What you created in there fully exceeded even our best expectations. You are a magic woman! I wish that you could have seen the room as the natural light faded and the glow of the candles filled the room - it was breathtaking. Hopefully we will have some pictures that do it justice.

You have to know that in just about every sweet memory of our wedding day, there is your creative touch. The chandeliers, the gazebo wreath & garland, my GORGEOUS bouquet (I didn't want to let it go), the willowy archway, the fabric over the doors, the cake, the orchids at each place at the head table, the cabbages - and that's all before we even talk about the flowers on the tables, which were beyond perfect. I think that most everyone commented on the flowers - they were really beautiful - and different from anything that I have seen, which made it even more special.

Anyway, I could go on - truly. We want you to know that you really made our day SO special. We thank you, from our hearts, for all the extras that you did to make everything perfect, we know there were many.

The flowers at the wedding were awesome, better than I had even imagined. My bouquet and the girls' bouquets were so pretty - I wish my bouquet would live forever :) And the centerpieces at the Treasury - wow! So pretty. I think my mom told you that it looked like fairy land which is totally something my mom would say, but it did look enchanting. When Brett and I walked in my jaw totally dropped - it looked so awesome - and everyone commented on it all night.

Thank you so so soooooooooooooo much.

Thanks for making our wedding such a beautiful day. Dax and I thought the flowers were immaculate, perfect, and just all around amazing. I can't tell you how many compliments we received on them. Dozens of people commented that it was by far the most beautiful wedding they had ever been to. Your work really made it that, honestly. We can't thank you enough.

It was also such a gift to be able to work with someone who took the time with me to create a wedding from the vision I had, and to involve me in bringing it to life. Not to mention, working with such an all around cool person. Dax and I adore you!

My wedding and reception was wonderful and overpowering at the same time. Some things went according to plans, others did not. By far and away, the flowers were one of the main highlights of my evening. You did an amazing job Helene and I will always look back on my wedding flowers as being perfect.

Thank you for helping to make my memorable day so awesome.
